

**REMARKS**

The Office Action has alleged that claims 1-11 comprise two distinct species:

A: The species of the First embodiment (figure 3); and

B: The species of the Second embodiment (figure 4).

**Restriction Requirement**

In response to the restriction requirement mailed on August 18, 2005, Applicant hereby elects the species of the second embodiment (figure 4), which includes claims 1-3, 5, and 10-11, without traverse. Claims 1-3 are generic to both embodiments. Therefore, should any of these claims be determined to be allowable, the Examiner should examine the remaining claims as well.

A prompt and favorable action on the merits of this application is now respectfully requested.

No fee is believed to be due in connection with this amendment and response. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to Deposit Account No. 20-0778.

Respectfully submitted,

By:
